

Get involved

Information sessions

We are holding a series of pop-up information sessions and invite you to come to them to learn more about the project.

Saturday 16 November 2024
10am – 12pm

Mayfield Library,
104 Hanbury Street, Mayfield

Tuesday 19 November 2024
3pm – 5pm

Mayfield East Shopping Village,
Maitland Road, Mayfield

Wednesday 20 November 2024
10am – 12pm

Warabrook Shopping Centre,
3 Angophora Drive, Warabrook

Tell us what you think

We want to hear from local community members about our project and answer your questions.

You can meet our project team at an upcoming information session. You can also complete a survey to provide your feedback.

Survey is available at our project website at: yoursay.ausgrid.com.au/steelrivereastbess

Survey closes Sunday 8 December 2024.

Who is Ausgrid?

Ausgrid is a distribution network service provider. We operate, maintain, repair and build the electricity network in Sydney, the Central Coast and the Hunter. We distribute electricity to your home or business, maintain existing infrastructure, and invest in new technologies to make the network more sustainable, reliable and affordable. We also need to make sure the network is ready for our customers' future needs.

Find out more

There are many ways you can stay up to date with the project and have your say by visiting our project website at yoursay.ausgrid.com.au/steelrivereastbess

The website includes:

- upcoming community engagement opportunities
- project information, facts sheets, and newsletters
- recorded online presentations about the project, delivered by our Project Team.

We want to hear from local community members about our project and answer your questions.

Register to stay up-to-date or contact our project team for more information.
